

bvfs quality inspektion mark certificate of conformity

The organisation

**Umdasch Group AG
Josef-Umdasch-Platz 1
AT - 3100 Amstetten**

was awarded the bvfs quality inspection mark with the identification number

BVFS-GÜZ-0050

The quality inspection mark is based on the agreement
No. 110 signed on 27.03.2024 concerning

products according to annex

manufactured at the site(s)

sites according to annex

in accordance with

ISO 38200:2018 - Chain of custody of wood and wood-based products

Date of first issue: 17.04.2025

Date of issue of the current version: 17.04.2025

Edition 1

This certificate remains valid in combination with an inspection report, which is not older than 18 months, as long as the listed products, and the manufacturing conditions in the plant are not modified significantly, unless suspension or withdrawal by the certification body.
