2. Utilisation and consent

By using our recruiting website you (or rather, if necessary, your legal guardian) consent to the saving and utilisation, as described in this Data Protection Declaration of the personal data provided by you.

Doka reserves the right to amend or modify this Data Protection Declaration in whole or in part, as may be required, at any point of time and any such amendment or modification will be made directly on this site so that you are informed at all times as to what data are saved and used.

Doka utilises the personal data you provide only for processing your job application and in so doing it makes use of services of Doka GmbH and of SmartRecruiters.

Your data is saved in a central applicants' database of Doka GmbH, which is provided by SmartRecruiters, and used for personal marketing purposes or database searches within the Umdasch Group.

Your personal data will be saved for the duration of the application process and a period of 12 months after such application process is completed. You can, at any time, within the period those 12 months delete the profile independently in SmartRecruiters or by contacting the address stated below. After the completion of 12months, the personal data would be automatically deleted if you do not give consent to store the data for another 12 months.

Your personal data will be used only within the Umdasch Group. Forwarding or other transfer of your personal data will be only in the framework of the job-application process to persons necessarily involved in the process within the Umdasch Group and SmartRecruiters. Above and beyond this, there will be no transfer of data to third parties outside the Umdasch Group.

3. Technical and organisational measures

To ensure an adequate level of protection in the processing of your personal data, Doka implements appropriate technical and organisational measures. For example, everyone involved in the job-application process is under obligation to observe strict confidentiality. State-of-the-art encryption systems are used for transfer of your personal data, and these measures are extended to include service providers.

4. Data subjects' rights and contact

We wish to inform you that in accordance with the GDPR and the Applicable Law, you, the data subject have rights in relation to the processing of your personal data, including rights of access, erasure and rectification of the data you enter.

To exercise these rights, contact:
