

CONCREMOTE

Optimising your construction.
Every time.

doka

**Save
time**

**Increase
safety**

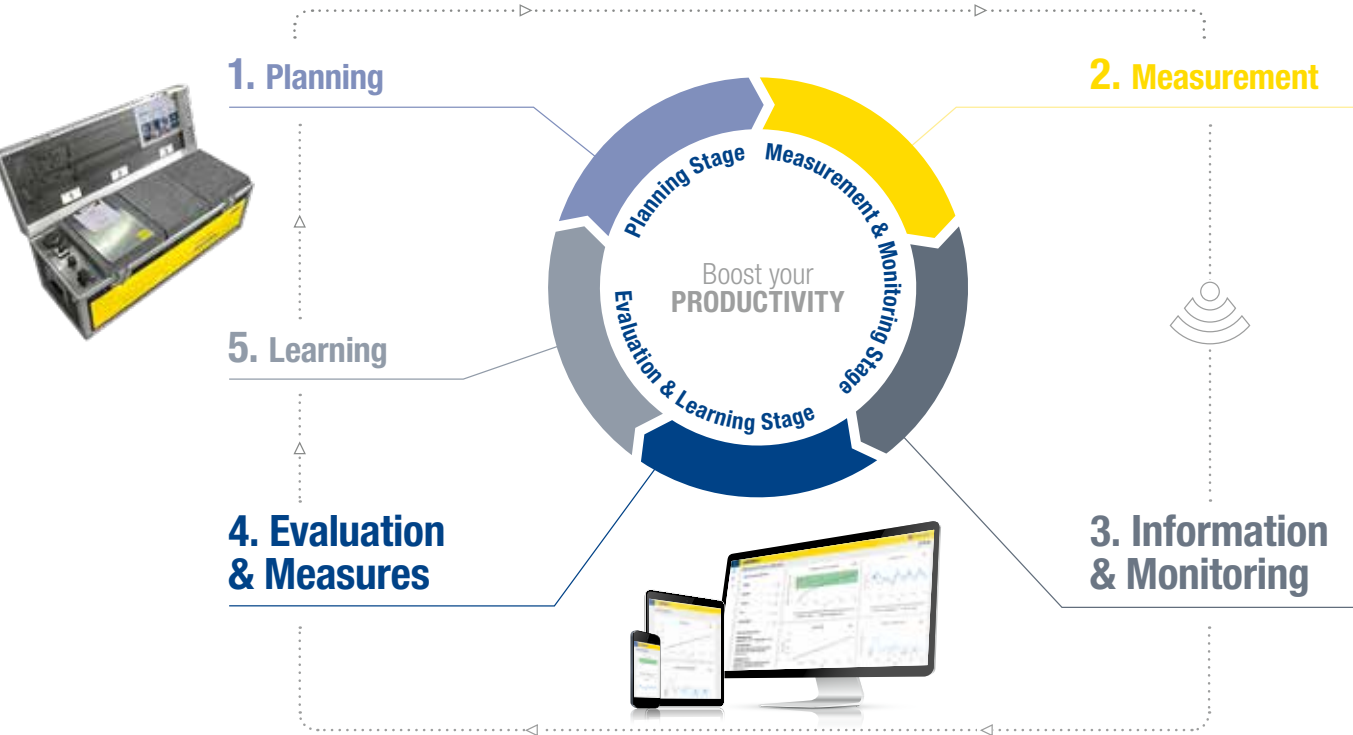

**Improve
concrete quality**

**Reduce
costs**

Fields of application

- Real-time monitoring of **early age compressive strength** gain
- **Temperature development** in massive concrete structures
- **Fair-faced concrete** projects > similar color tone

Possible cooperations with universities

- Support in lectures to students about concrete monitoring
- Practical research on concrete maturity in laboratories
- Bachelor / master thesis topics in the local context
