### Urgent Deliveries / Deliveries with Shorter Call-Off Time Than Described in This Delivery Procedure

For deliveries where the customer requests shorter delivery times than those described above, Doka is entitled to compensation for documented additional costs incurred as a result. For urgent deliveries, an express surcharge of NOK 3,000 will apply.

### Postponement of Delivery Ordered by Doka's Customer

If the customer postpones an agreed delivery to more than 7 calendar days later than the agreed delivery date, Doka will invoice 50% of the agreed rental fee per calendar day from the originally agreed delivery date. Alternatively, a new delivery date may be agreed in accordance with the delivery time applicable to the material.

### Cancellation of Delivery Ordered by Doka's Customer

In the event of cancellation of an agreed delivery, Doka will invoice all incurred costs related to the retrieval and preparation of the ordered material.
