

Doka Terms and Conditions for the Use of Doka Planning Software (B2B)

1. General

- 1.1. These Terms and Conditions (hereinafter referred to as "GTC") shall regulate the business relation between Doka GmbH (hereinafter referred to as "Doka") and the Licensee ("Licensee") with regard to the licensing and use of Doka's technical software products e.g. Tipos-Doka, DokaCAD and included or stand alone data like BIM-Article-Libraries (hereinafter called the "Software").
- 1.2. The Licensee confirms that it understands and agrees to be bound by these Terms and Conditions with respect to all use and handling of the Software.

2. Scope of the License

- 2.1. Doka offers its Software online on its website www.doka.com. The License Agreement ("Agreement") between Doka and the Licensee is concluded by the Licensee's acceptance of Doka's conditions set out in these GTC by downloading the Software from Doka's website.
- 2.2. The Licensee obtains a non-exclusive right to use the Software.
- 2.3. The Licensee may use, access, display, run or otherwise interact with one copy of the Software. The usage of Doka's Software is free of charge unless otherwise agreed.
- 2.4. The use of the Software is restricted to internal use within the Licensee's entity and for Doka formwork and/or scaffolding products and is restricted to the installation of the Software for one user or computer per Licensee only.
- 2.5. With the exception of back-up copies for safety reasons, the Licensee is not allowed to make copies of the Software.
- 2.6. The Licensee may store or install a copy of the Software on a storage device, such as a network server, used solely to run the Software on the Licensee's other computers over an internal network; however the Licensee must acquire and dedicate a License for each separate user or computer that may access the Software from the storage device.
- 2.7. The Licensee shall introduce routines and control functions in order to ensure that the number of computers that may access the Software do not exceed the number of Licenses granted to the Licensee.

3. Copyright

- 3.1. The Licensee acknowledges that the Software is protected by copyright. Doka owns the Software, including the copyright to the Software.
- 3.2. The Licensee does not include any transfer to the Licensee of Doka's ownership of the Software, such as copyrights, or as applicable, patent rights.
- 3.3. The Licensee is not authorized, in particular, to modify, process, translate, reverse engineer, reverse compile or decompile the Software or produce derived works or, irrespective of whether it is temporarily or permanently, in whole or in part, to reproduce the Software in a manner derogating from clauses 2.5 and 2.6, to publish, disseminate, hire or resell the Software or to make it accessible to third parties for instance on the internet.

4. Delivery

- 4.1. The Software shall be deemed installed and used if it is loaded onto a working memory and stored in a permanent memory of the computer. Doka is not responsible for the installation of the Software.
- 4.2. For the purpose of installation and use of the Software Doka provides online information and online help included in the Software. The Licensee has no right to any further support and training. Any assistance provided by Doka on a voluntary basis will be charged to the Licensee and has to be agreed on a case by case basis.

5. Exclusion of Set-off and Assignment

- 5.1. The Licensee is not entitled to grant sub-Licenses, to offset any claims in respect of Doka against those of Doka or to assign the License to third parties.

6. Risk of Damage and Loss

- 6.1. The Licensee acknowledges that Doka does not bear any risk as Doka provides its Software free of charge and the Licensee shall bear the risk of any damage to or loss of the Software during the entire period of use of the Software.

7. Warranty and Liability

- 7.1. It is the sole responsibility of the Licensee to acquire the necessary prerequisite operating system, licenses and software enabling the Licensee to lawfully use the Software.
- 7.2. The Licensee shall notify Doka about obvious defects immediately after discovery thereof.
- 7.3. When complaining of defects, the Licensee is obliged to provide Doka with verifiable documentation of the type and occurrence of the complaints and to collaborate in isolating any errors. The Licensee itself is responsible for securing its individual data.
- 7.4. Although Doka has created the Software with utmost diligence and expert knowledge, the Licensee recognizes that it is not possible to produce software programs which are completely error-free. Doka therefore does not guarantee that the Software will function without interruption or be error-free or that errors can be completely eliminated. Doka does – insofar as permissible under mandatory law – not assume any liability in connection with the Software provided.
- 7.5. It is in the sole responsibility of the Licensee to constantly check whether an updated version of the Software is available. It is clearly stated that the Licensee has no right to require an updated version of the Software nor that – in case that an updated version should be available at any time – that this version is for free.
- 7.6. The Licensee is aware that Doka provides its Software services for free and therefore agrees that Doka shall not take any liability for any damages arising in connection with the Software excluding for damages caused by wilful intent and gross negligence of Doka.
- 7.7. The Licensee is aware that sufficient engineering knowledge of the Licensee is an indispensable prerequisite for using the Software.

- 7.8. The sole responsibility for the output and documents created with the Software by the Licensee is with the Licensee and the output and documents created with the Software must - without exception - take Doka's User Information and any other legally required technical information for the respective Doka formwork and/or scaffolding product into consideration. Doka does not assume any liability in this regard.
- 7.9. The Licensee must make clearly evident that the output and documents created with the Software are not made by Doka. The Licensee is not entitled to insert in or show on the output and documents drafted with the Software or otherwise Doka's letterhead.
- 7.10. The Licensee is not allowed to use the Software for designs for other formwork and/or scaffolding products than for Doka formwork and/or scaffolding products.
- 7.11. Doka is not aware of any rights of third parties which oppose the utilization of the Software by the Licensee. Doka is not liable that the licensed Software is free of rights of third parties.

8. Cancellation

- 8.1. The License ends automatically in case the Software is uninstalled.
- 8.2. In case that Doka decides not to provide a certain module of the Software any more, Doka will announce the fact within a reasonable time on the website www.doka.com and the Licensee has no right for compensation in this case. Doka is entitled to terminate the Agreement and hence the right to use the Software with immediate effect and without any right of compensation for the Licensee in particular – but not exclusively - in the following cases:
 - the Licensee violates any intellectual property right of Doka regarding the Software or
 - decompiles or alters the Software or
 - violates the confidentiality obligation set out in clause 10 or
 - violates clause 5.1 of this Agreement or
 - the Licensee conducts any activities which could be detrimental to Doka's business interest, goodwill and respect.
- 8.3. In case of violation of any other clause of this GTC by the Licensee Doka is entitled to terminate the Agreement after granting a grace period of 14 days to remedy the violation.

9. Return of the Software

- 9.1. In case of termination of the Agreement, irrespective of the reason for such termination, the Licensee shall immediately stop using the Software and remove it from the computers (with exception for archived copies archived by the Licensee in accordance with any applicable law). In connection therewith, the Licensee shall confirm in writing that it has fully complied with this obligation.

10. Confidentiality

- 10.1. The Licensee is obliged to strict confidentiality with regard to the Software and data provided by Doka.
- 10.2. The Licensee will especially take all necessary steps to prevent unauthorized copies from being made and passed on to third parties.
- 10.3. The confidentiality obligation will remain in force after the expiry of the License and these Terms and Conditions.

11. Miscellaneous

- 11.1. Doka reserves the right to exclude at its sole discretion certain modules of the Software or applications regarding certain products from this Agreement.
- 11.2. Any GTC communicated by the Licensee shall not apply.

12. Severability Clause

- 12.1. If, for any reason, one or more of the provisions of these Terms and Conditions or of any agreement between the Licensee and Doka is invalid or unenforceable, the validity of the remaining provisions shall be unaffected hereby. In place of the invalid or unenforceable provision there shall be a provision which is closest to the intended purpose.

13. Place of Performance and Jurisdiction

- 13.1. The place of performance for all obligations arising from or in connection with the Agreement between Doka and the Licensee shall be Amstetten, Austria.
- 13.2. All disputes between the Licensee and Doka including the question of the valid realization of the Agreement as well as its preliminary and subsequent contractual effects, shall be decided, at the option of Doka, by the competent court in whose official district Amstetten lies, or by a court of arbitration within the meaning of Point 13.3. Only Doka is entitled to choose to bring the matter to other courts to assert its claims.
- 13.3. Insofar as Doka opts for a decision by a court of arbitration, the ICC Rules of Arbitration and Conciliation shall apply. The decision shall be made by the sole arbitrator. The place of arbitration shall be Vienna, Austria, the language of arbitration shall be German. The contractual parties shall waive their right to appeal against the arbitration award, insofar as it is legally permissible to waive such a right. The arbitrator shall give the parties a draft of the arbitration award to comment upon.

14. Applicable Law and Interpretation

- 14.1. Legal disputes between the Licensee and Doka including the question of the valid conclusion of the Agreement and the preliminary and subsequent contractual effects are subject exclusively to Austrian law. The Austrian IPRG and the UN Sales Convention are not applicable.

15. Waiver

- 15.1. As far as it is possible under mandatory law, the Licensee and Doka shall waive the right to appeal against these Terms and Conditions as well as against agreements concluded between them and/or the right to demand the cancellation or amendment of the same. In particular an appeal on the grounds of a mistake or *laesio enormis* is excluded.
